

The photograph shows Prof. Dr. M. Murat Erdoğan, a middle-aged man with a receding hairline, seated at a dark wooden table. He is wearing a dark suit jacket over a dark shirt. He is gesturing with his right hand while speaking. On the table in front of him are two small flags on stands: the Turkish flag (red with a white star and crescent) and the European Union flag (blue with yellow stars). To the right of the flags is a laptop and a vase filled with a bouquet of flowers, including pink and yellow blooms. Behind him is a large projection screen displaying a presentation titled "TÜRKİYE'DE VE DÜNYADA GÖÇ TRENDLERİ" (Migration Trends in Turkey and the World). The presentation includes the name "PROF.DR.M.MURAT ERDOĞAN" and his contact information: "www.mmuraterdogan.com * 05333001373 * m.erdogan103@gmail.com". The main content of the slide is a diagram illustrating migration trends. It features a central box labeled "GÖÇ" (Migration) with sub-categories: "Üst üste göç" (Successive migration), "Göçmen" (Migrant), "Mülteci" (Refugee), and "İç göç" (Internal migration). The diagram also lists various countries and regions, including Turkey, Europe, Africa, and Asia. To the right of the diagram are several images: a painting of a group of people, a silhouette of a wolf, a photograph of a train, and a photograph of a large group of people. The overall setting appears to be a formal presentation or lecture.
